

WHAT *Jesus* SAID ABOUT *End Times*

DRS. JAMES & STACIA PIERCE

Faith **IN FOCUS**

Take some time to think about lesson 4. Complete each activity below in any order. The goal is to gain insight, build on what you've learned and enhance your relationship with Christ while interacting with family or friends.

READY TO READ: Dive deeper with these additional scriptures. Take turns reading a scripture below. Make note of any new revelations. Read these key scriptures related to 70 Weeks of Daniel, such as Daniel 9:24-27, Daniel 9:3,

TALK TIME: Have a discussion about what each of you understands about how the term weeks refers to seven years or seven sevens. So for those who love math, and especially for those who don't, the 70 weeks is a period that totals 490 years or seventy times seven. It is important to note that the ancient Jewish calendar was a 360-day calendar, not the 365 day one which we use today.. Share thoughts, questions, and feelings.

TAKE ACTION: Think about the 70 weeks and what happens during the 69th week. In what ways does this effect your faith journey? Knowing where we are in the timeline, do you have any concerns or questions?
